2023-2024 School Year

DSE Parents/Guardians,

In an effort to identify student's needs as early as possible, we would like you to be aware of upcoming screenings during the 2023-2024 school year.

Hearing and vision screenings will occur in September. If your child fails to meet the minimum qualifications, you will receive notification and information to follow up with a doctor. Additionally, during the month of October, our Speech and Language Pathologist (SLP) will be screening all kindergarten students for speech and/or language concerns. Again, if there are any concerns regarding your child's development, you will be notified.

If you have any questions or concerns please feel free to contact the school's office at **937-222-2812**. If you would not like your child to participate, please contact the principal immediately at the number listed previously.

Thank you for your help and cooperation.

DSE School Administration

Joe Thompson, Principal
